Baby Weigher Mechanical Baby Scales

Features

This Salter Brecknell mechanical baby scale is suitable for home or clinic use, perfect for doctors and nurses working in remote locations. This easy to operate suspended baby scale is lightweight and portable. It includes dual markings representing both pounds and kilograms. The durable hammer gray finish is designed to withstand rugged conditions and remain accurate through years of continuous service. This kit includes the scale, stainless steel hooks, two sets of trouser style slings and a carry bag.
